

TAFT STARTS HOME AFTER PANAMA VISIT; GOETHALS COMING TOO

President and Party Aboard the
Arkansas Leave Colon for
Key West.

COLON, Dec. 27.—The United States battleship Arkansas, with President Taft and party aboard, sailed from Colon at 7 o'clock last evening for Key West.

Col. Goethals is returning to the United States at the same time on board the battleship Delaware.

Taft's programme yesterday included a visit to the Culebra cut on the canal and also an automobile trip to the ruins of old Panama City, which was founded and then razed in 1671 by the Spaniards. Henry Morgan, who was afterward made a knight by King Charles II.

Bomb Explosion Not Inspired by the President's Visit.

WASHINGTON, Dec. 27.—Secretary Jose Edgardo Lefevre of the Panama Legation to-day asserted that the explosion at a newspaper kiosk in the city of Panama during President Taft's visit there Christmas night had no bearing on the President's presence. A cable message was received at the Legation from Secretary of Foreign Affairs of Panama Ernest T. Lefevre, in part as follows:

"While President Taft was at the dance a small explosion took place at De Leonessa Park, at the other end of the town, blowing up a kiosk near Angelini's Hotel. Two suspected men are imprisoned. The motive was jealousy between two Spaniards, rivals in business."

"The matter was without importance and took place outside the Panamanian police cordon drawn about the President from the station to the theatre."

WOMEN TRY TRAIN WRECKING

Subtractors Believed to Have Tied Switch Levers Together.

LONDON, Dec. 27.—The levers of the railway signals were found tied together in a manner to prevent their proper working at Fother's Bar station on the Great Northern Railway, Christmas eve.

A label attached by a cord indicated that the perpetrators were subtractors. Fortunately no mishap occurred.

BOY PUZZLE TO DOCTORS.

Found Unconscious in Street, His Mother Identifies Him.

Removed to the Harlem Hospital in a state of coma early yesterday morning a boy was identified early last night as George McLaughlin, sixteen years, of No. 24 West One Hundred and Eleventh street. His mother made the identification. He had been found unconscious by Patrolman McLaughlin at One Hundred and Eleventh street and Eighth avenue.

The doctors are puzzled by the boy's condition. Late last night he appeared to regain consciousness, but efforts to induce him to speak were vain.

A Rousing Appetite Is a Keen Delight

**And What Is of Greater Interest,
Stuart's Dyspepsia Tablets Enable
the Stomach to Digest What-
ever Is Eaten.**

We all like to see the way healthy children devour their meals. Would we could all do the same! Eating is a delight. It is one of life's chief enjoyments. People who cannot relish a good meal are apt to fall into these ill-tempered moods from which they view the world as a dreary place. This is due to let us learn to employ the best means of harmonizing our existence and thus extract from our daily grind all the pleasure there is to be had. This can be done by keeping our stomachs in prime, as the working order.

A majority of people have come to know the blessings which an occasional use of Stuart's Dyspepsia Tablets confer upon the stomach. They are unquestionably the most popular remedy known, for the reason that dyspepsia is the national disease, and these wonderful little tablets have long since acquired a national reputation as a thoroughly reliable and efficient cure for all forms of dyspepsia and indigestion.

No matter how great the excess of food taken into the stomach, one or two of these tablets will digest every particle to be a delight. It is one of life's chief enjoyments. People who cannot relish a good meal are apt to fall into these ill-tempered moods from which they view the world as a dreary place. This is due to let us learn to employ the best means of harmonizing our existence and thus extract from our daily grind all the pleasure there is to be had. This can be done by keeping our stomachs in prime, as the working order.

After attending banquets, late suppers, heavy fancy dinners, after-theatre parties, etc., where one has dined sumptuously and luxuriantly, Stuart's Dyspepsia Tablets should invariably be used, as they digest the food perfectly and completely, and prevent all possibility of dyspepsia, which, without their use, is most likely to ensue.

Americans are exceedingly fond of the good things of life, and there is apt to be great excess of eating, and the only way to overcome its bad effects on the stomach is to employ a powerful and efficient digestive such as Stuart's Dyspepsia Tablets, which always insure a good digestion.
